

THE MOST TRUSTED NAME IN CHILD CARE.™

All Foundations® cribs include:

- Limited 5 year warranty with lifetime warranty on steel frame and hardware.
  - Heavy duty slats and mortise and tenon headboard construction provides superior strength.
  - Lower profile allows easier access for the caregiver and reduces the risk of back strain.
- Adjustable floorboard.
  - EverClear™ Natural and EverWhite™ finishes with coordinating hardware (antique brass hardware for natural finish, chrome hardware for white finish) provide unparalleled durability and beauty.
- Exclusive SafeSupport™ solid steel box frame (patent pending) is included on all cribs to provide unprecedented strength.
  - Foundations® cribs meet federal mandatory crib safety standards.
  - All compact cribs include a 3" mattress that comply with flammability standards 16 CFR 1633 and 16 CFR 1632.

The #1 selling crib for U.S. child care facilities.

The most widely used crib in U.S. child care facilities was upgraded to be even more durable. With all the same industry-leading features as before, the **Next Gen™ Serenity® cribs** feature heavy duty slats, steel frames and hardware, with unprecedented durability and craftsmanship. A stronger teething rail and two-bolt casters add extra strength and durability to the crib. New, skid-resistant, ultra-quiet commercial casters (two locking) will not damage floors. Includes 3" ultradurable Infapure™ antimicrobial mattress. The Next Gen™ Serenity® SafeReach® system allows quick access to the child through a safe and convenient alternative to a drop-side crib using a new, ergonomic two-finger trigger. The combination of all these features allows the caregiver to effortlessly access the child regardless of the child's size. Five-year warranty on crib with lifetime warranty on steel frame, casters, and hardware.

THE MOST TRUSTED NAME IN CHILD CARE.™

First Responder® Evacuation System

The complete solution to infant evacuation.

The Next Gen™ First Responder® Evacuation Crib

The only comprehensive solution available to child care centers for infant evacuation. A three-point steel gusset system connects directly to the solid steel SafeSupport™ frame, headboard/footboard and caster bracket to provide the ultimate in strength and durability. Features international “evacuation crib” icons printed in English, Spanish and French that are visible from all four sides for rapid identification. New, premium 4" skid-resistant, non-marking casters (two locking) will not damage floors. Includes 3" ultradurable Infapure™ antimicrobial mattress. Evacuation protocol sign to train caregivers is provided. Crib has limited 5-year warranty with lifetime warranty on steel frame, casters, and hardware.

Next Gen™ First Responder® Evacuation Hardware for Serenity

Four 4" casters (two locking) with steel gussets enable Serenity® compact cribs to be converted to evacuation cribs. Evacuation hardware has a lifetime warranty. Also includes evacuation protocol sign and evacuation icon that adheres to crib for rapid identification.

Next Gen™ First Responder® Evacuation Casters for SafetyCraft

Includes four First Responder® casters (two locking) that prepare your SafetyCraft® cribs for evacuation.
