

# GLIDER ROCKERS

**SafeRocker™**  
DESIGNED FOR COMFORT.  
BUILT TO LAST.™

The ONLY  
truly commercial  
grade rocker with  
solid steel gliding  
mechanism.

## Lullaby™ Glider Rocker

Hardwood construction, high density foam, and spring reinforced seating provide years of reliable use at a great value. Seat and arm covers are removable and can be laundered. Smooth quiet glide, large seating surface, and tip-resistant base provide comfort and peace of mind. One year warranty.

## SafeRocker™ Glider Rocker

The SafeRocker™ features a steel gliding mechanism that provides unprecedented durability making it the only authentic commercial glider that can withstand the demands of a child care environment. Fully enclosed base keeps children away from the mechanism. Extra wide seating surface with extra thick, high density foam cushions provide the ultimate in comfort for both caregiver and child. Arm covers have extra large storage pockets to keep supplies close at hand. 3 year warranty.
