## Specifications

- Site location:**
- The Frost free standing series of waste containers can be used in almost any application. The medium and small units also fit under most counter tops. The all metal construction is ideally suited to fire protection and rugged use.
- Features:**
- Rounded soft edge design. All welded construction of 22 gauge cold rolled steel. All units come with standard bag holder apparatus (compatible with the Frost bulk plastic bag liner system). Finished in hybrid epoxy polyester powder paint and black vinyl trim. Recessed feet elevate the unit to provide a neat appearance with minimal maintenance. Packaged in corrugated cartons.
- Capacity:**
- 300-NL:** 105 litres (28 US, 23 imp. gal.), shipping weight: 14 kg. (27 lbs.)
  - 301-NL:** 80 litres (21 US, 17.5 imp. gal.), shipping weight: 12 kg. (23 lbs.)
  - 302-NL:** 54 litres (14 US, 12 imp. gal.), shipping weight: 10 kg. (19 lbs.)
-  All units meet barrier free access guidelines.
