

MEET THE **GAGGLE®4**

Duck, Duck, Goose. At Foundations® we're passionate about making the best child care products possible, from cribs to strollers, to gliders and changing tables. When we looked at the multi-child strollers and buggies on the market we found them to be out-dated, ugly, uncomfortable, unsafe, and no fun. We thought we could do better.

Introducing the Gaggle®4. Get your little goslings out on an adventure in a Gaggle®. Kids will love it for its design; they'll want to play on it, and won't be able to get enough of it. Parents will love it for the safety. Caregivers will love it for its convenience. Administrators will love it for its durability. Wow, we just gave ourselves goosebumps.

GAGGLE®4

It's Happy Time!™

SUPERIOR SAFETY

- Five-point harness system with three height positions ensures a proper fit.
- Canopy roof shields from rain and UV rays. Roof extends over front seat to offer full protection.
- Parking brake conveniently secures stroller and keeps it in place.

SUPERIOR DESIGN

- Distinctive unique styling attracts children with added play value and promotes the adventurous spirit that is in the heart of all children.
- Stadium style seating ensures every child has full view of their surroundings.

SUPERIOR QUALITY

- Durable double walled body construction is impact resistant, provides superior strength, and will not corrode.
- Rotationally molded with UV inhibitors body will not chip, crack, or fade in any environment and is easily washed with soap and water.
- Solid steel powder coated integrated frame provides durable long lasting strength.

SUPERIOR COMFORT

- Generous seat sizing comfortably accommodates children from six months old to 50 pounds.
- Ergonomically contoured seats are designed with children's needs in mind. High seat backs offer support and seats are slip resistant to secure children in place.
- Comfortable foam wrapped push bar is ergonomically sized to eliminate hand fatigue.
- Gaggle® Infant Seat securely and effortlessly latches to seats. Constructed of soft, durable foam that nestles baby and provides optimal head support.

SUPERIOR CONVENIENCE

- All seating positions are self loading reducing strain on caregiver. EasyLoad™ steps are sized perfectly for children's feet.
- Fits through standard commercial doorways to enable buggy to be loaded in classroom.
- Polyurethane tires provide quiet smooth ride while eliminating need to inflate with air.

SUPERIOR FUN

- It's Happy Time!™
