Frost Mirror Warranty

Frost Products Ltd is a leading manufacturer of mirrors for commercial and institutional installations. Frost offers vandal resistant channel frame , frameless and Barrier free tilt designs . We offer standard float glass , tempered glass , laminated glass and stainless steel face options . All Frost mirrors are covered under our standard complete product warranty . Mirror glass is conforming to GS12GD5A type 1B, guaranteed against silver spoilage for 10 years. Note; on tempered mirrors the tempering process may produce slight distortion in mirror reflection when viewed from a distance. Mirror back plate consists of shock resistant primary back combined with galvanized second back plate and vandal resistant mounting system. All stainless steel face mirrors use 20 ga. XL buff stainless steel reflective surfaces.
